Fiercekit looked at her sister spiderkit with amusement. spiderkit leaped onto a leaf. spiderkit tumbled around then she yelped when she fell into the fresh kill pile. spiderkit looked up to see Fiercekit standing there with amusement in her red eyes. she reached down and grasped spiderkit's scruff. "thank you Fiercekit" spiderkit mewled softly. Fiercekit nods and pads back to the nursery. Crookedstar jumped down from skyrock and ran to hailstorm licking her ears. Fiercekit jumped on spiderkit and scrambled to a tree by the nursery with spiderkit on her tail. "I bet you can't climb it" spiderkit challenged her bigger, stronger sister. Fiercekit snorts and pelts up the tree and jumps onto a branch above crookedstar and hailstorm. spiderkit had no idea where Fiercekit went. Fiercekit jumped down from the branch landing neatly on Crookedstar's broad head. "hey Fiercekit that's my head and that hurt" crookedstar complained. Fiercekit snorted and jumped off Crookedstar's head. spiderkit was completely shocked by this. Fiercekit was very muscular and strong. spiderkit ran up to her sister. "come on time for bed little ones" hailstorm purred and lead the two sisters into the nursery.
Fiercekit woke up to spiderkit jabbing her in the side. "ow what" Fiercekit hissed looking at spiderkit. " come play with me, Barkkit and cherrykit" spiderkit squeaked. "spiderkit I'm tired please leave me alone" Fiercekit said in a yawn. "spiderkit your sister wants to sleep let her" hailstorm meowed. spiderkit nods and runs out of the nursery. Fiercekit lays her head on hailstorm's belly and falls asleep. she woke up and it was sunhigh. Fiercekit got to her paws and went outside. she climbed into her tree beside the nursery.
"Fiercekit, spiderkit come eat" hailstorm meowed Fiercekit jumped from the tree landing on hailstorm's head and jumping Down to the ground. "hi mama" spiderkit squeals and grabbed

a mouse. Fiercekit grabbed a small plump black rabbit. Spiderkit sat beside Fiercekit. "hi Fiercekit" spiderkit purred. "hello sister" Fiercekit meowed. Fiercekit ate her rabbit and got up. "babies time to sleep" hailstorm. spiderkit scrambled into the nursery. Fiercekit followed behind. Hailstorm licked spiderkit's head then Fiercekit's.

Fiercekit's hard muscled body rippled as she leaped up into her tree. spiderkit crouched beneath the tree and leaped up Into the tree. "Spiderkit be careful don't go so high" hailstorm meowed. just as hailstorm said that spiderkit slipped. "Fiercekit help" spiderkit wailed. Fiercekit leaped up to her and saw the branch was breaking. Fiercekit's eyes widen in worry and horror she sprang forward and grabbed spiderkit's scruff and swung her to the branch beside her. then the branch snapped and Fiercekit fell. "Fiercekit" spiderkit wailed in horror as her sister hit the ground with a thud. spiderkit slowly got down from the tree and ran to her sister's side. hailstorm crouched beside the motionless kit moaning a loud wail. crookedstar yowled loudly into the sky. "Fiercekit please be okay" spiderkit begged gently pressing to her sister's side."mama I'm so sorry I should have listened to you" spiderkit cried. Fierce crouched over her kits as three foxes racing towards her. she wasn't going to leave her kits. "mama" nightmare screeched as fierce hurled herself at the foxes. "nightmare, claw, Crimson run" fierce screeched and rammed her head into one of the foxes chest knocking it backwards it laid winded on its side. Fierce slices one of the others throat open with her long dog teeth claws. the last fox looks at fierce in fright and runs. the winded fox shots up and lunges for fierce. it grabbed fierce's shoulder and throw her against a rock. she landed on the ground with a thud and groans from the shooting pain in her shoulder. Fierce still forced herself onto her paws to face the fox once again. then red fur catches fierce's eye. blood laid in front of a dead fox blood gushed around him. "oh blood no" fierce whispers softly before all she felt was rage. fierce hurled herself at the fox and knocked it over. she whipped her dog teeth claws across the foxes neck several times before it died. "Mama where daddy" nightmare cries. "oh my sweet sweet babies blood isn't with us anymore" fierce wrapped her tail around the three kits. "Mama we're so sorry" nightmare pressed her face into fierce's muscled side. "fierce" jinx, sky and autumn wailed running up to her. "your ok" sky yowled. fierce nods "fierce can I look at your shoulder" autumn asked. fierce nods and autumn looks at her shoulder. "no he didn't deserve this" fierce wailed pressing her head into jinx's shoulder. slice went to touch fierce but She lashed out "don't touch me no one touch me" she snarled. the pain of losing her son hit her like a monster. "Thank you mother" alpha Meowed panting. fierce nods and then a deafening wail echoed throw the clearing. fierce spun around to see the lifeless body of jinx. "no" fierce roared and pelted towards the body of her best friend. fierce hooked her claws into two toms scruffs and hurled them off jinx. fierce whirled around and a deafening roar erupted from her throat. Autumn looked up from checking alpha's wounds and saw a ghostly looking leopardess standing where fierce was. autumn's eyes widen within the leopardess stood fierce with glowing white eyes. fierce stepped forward and the ghostly leopardess moved with her. fierce swipe her paw at the enemy cats and cats went flying due to the force of the leopardess's paw hitting them. fierce swung her paw again and cats went flying in all directions.
